Steve,

Sorry I can't be there. I have to be in Nashville on a legislative matter.

Subject: Tomorrow

Hey Steve!! Checking to make sure we are ready for tomorrow? Do you need me to do anything? What about an agenda?

Bill will not be there but wants to make sure we address a few things:

1. We need to get the baseline data regarding number of complaints from each PJA and number solved.
2. We need to make sure we have a process in place to get this data going forward.
3. We need to figure out the definition of an "effective" NW group.
